

AUT EVEN STUDY

BY REL GROUP

INTRODUCTION

Aut Even Hospital in Kilkenny is the oldest private hospital in Ireland, holding 71 beds with an 18 bed day surgery unit, and is known as one of the leading private hospitals in Ireland at present.

RELTEC have completed a number of Air Conditioning & Refrigeration installations in the hospital throughout a number of departments.

With Aut Even being a fully functioning hospital, these works show RELTEC's capacity to deal with projects that require specific flexibility and expertise
