

MERRION HOTEL STUDY

BY REL GROUP

INTRODUCTION

The Merrion Hotel, is known in Ireland and worldwide as Dublin's most luxurious 5 star hotel. The Merrion occupies some of the finest, most beautifully restored and best-located Georgian buildings in Dublin city centre and is home to numerous awards over the years, including a two star Michelin restaurant and a number of renowned bars including the Cellar Bar which was voted Sky Hotel Bar of the Year in 2016.

The Merrion is committed to ensuring the highest levels of quality and luxury for its guests and visitors, and in 2014 they chose our company's Glycol Beer Dispense System as their dispense system of choice, ensuring that their dispense offerings met these high standards.

SCOPE OF WORKS

- Leading dispense system installed in all bars in 2014.
- Returned in 2017 to move the system to include new taps and products.
- New python installed.

New plate installed.

New counter top t-bar installed.

RELTEC's installations in The Merrion Hotel, further establishes its Glycol Dispense System, as the leading Dispense System in Ireland, with the Merrion Hotel adding to the list of hotels, pubs, clubs and establishments which have chosen us as their dispense providers.
